Election Forms and Tools for Sending

For military members, their families and overseas citizens, these resources from FVAP will make voting absentee as easy as possible — wherever you are and in whichever state you vote in.

Register and request your absentee ballot with the Federal Post Card Application (FPCA)

Use the FPCA to both register to vote and request your absentee ballot.

Vote as a backup using the Federal Write-In Absentee Ballot (FWAB)

Use the FWAB if there isn't enough time to receive and send back your ballot before the election.

It works like a backup ballot. If your official absentee ballot arrives after sending in the FWAB, fill out and send in the official ballot too. Only one will be counted.

How to return your FWAB by mail, email, or fax

The screenshot shows a web browser with two tabs: 'Home' and 'FV Election Forms and Materials'. The address bar shows the URL 'fvap.gov/eo/overview/materials/forms'. A blue circle highlights the address bar. On the left side of the page, there is a vertical sidebar with social media icons for Facebook, Twitter, and LinkedIn, and a mail icon at the bottom. The main content area has a dark blue header with the text 'Send in your forms with these helpful tools'. Below this, there are three sections: 'Mail', 'Email or Fax', and 'Register to vote locally with the National Voter Registration Form (NVRF)'. The 'Mail' section includes instructions on how to mail FPCA, ballot, or FWAB forms, and lists three types of return envelopes: FPCA Postage-Paid Return Envelope, Ballot Return and FWAB Postage-Paid Return Envelope, and Ballot Return and FWAB Security Envelope. The 'Email or Fax' section includes instructions on how to email or fax the forms, and lists one type of cover sheet: Email or Fax Transmission Cover Sheet. The 'Register to vote locally with the National Voter Registration Form (NVRF)' section includes instructions on how to register to vote, update registration information, or register with a political party. At the bottom right, there is a dark blue button with the text 'Get the NVRF'.
